# Meat Free Mondays

**At The Priory Rooms we are taking the meat out of meetings on Mondays to help the planet.**

In support of the national Meat Free Monday campaign, once a week we offer our customers a vegetarian menu. It's just one day a week, but through this simple action we are helping reduce our venue's carbon footprint.

We have combined a variety of food choices to bring you a fresh, tasty and healthy Meat Free Monday Menu.

We encourage all customers on Mondays to participate, however, you are welcome to opt-out for your meeting and order from the standard menu if you wish - just let us know when selecting your catering choices.
